

The
Sladen
Legal
Spirit

When the lion roared...

The lion stands proud.

Strong. Resolute. Fierce.

The lion does not fear.
He embraces fear and
uses it to shape tomorrow.

The lion inspires.

The lion protects.

The lion looks to
lead others.

Welcome to a refreshingly different kind of law firm.

Every firm has its own story.
Its reason for being.

This book shares our story –
what we believe and
what drives us.

**Sladen
Legal**

**At the heart
of all private
enterprise
is a fierce
determination.**

**A determination
that moves people
to succeed.**

Improve. Perform. Lead.

It can drive masses
of people to navigate
an uncertain future; and
can engage even more
to work together to create
positive impact.

Impact that can change
lives and shape industries.

Grow businesses.
Move communities.
Challenge the norm.

**Inspires
outcomes.**

**We call it an
entrepreneurial
spirit.**

**The
entrepreneurial
spirit is
something
we share with
our clients.**

**It defines
who we are
and what
we believe.**

To be fierce.

We know the road is not
always clear and easy.
But this does not daunt
us – or our clients.

We are passionate and
determined to achieve
a great outcome.

**“There is no passion
to be found playing
small – in settling
for a life that is less
than the one you are
capable of living.”**

Nelson Mandela

Pioneering.

Being first doesn't
faze us.

We will always explore
new ways of thinking
to create more
opportunities.

**“If you do things well,
do them better.
Be daring, be first,
be different, be just.”**

Anita Roddick

A champion.

An honourable cause.

A legal truth. A better way.

We are thought leaders and
will always look to lead
and guide change.

**“There are two
primary choices
in life: to accept
conditions as they
exist, or accept the
responsibility for
changing them.”**

Dr. Denis Waitley

A great communicator.

Our ability to listen to and understand complex business problems allows us to speak and act with absolute clarity and total transparency.

“Courage is what it takes to stand up and speak; courage is also what it takes to sit down and listen.”

Winston Churchill

A performer.

Actions speak louder
than words.

It's that simple – every day
achieving the best result
for our clients.

**“The most
effective way
to do it,
is to do it.”**

Amelia Earhart

Trustworthy.

We conduct ourselves with the highest of professional and ethical standards, treating every client with integrity and respect.

**“If your actions
inspire others
to dream more,
earn more,
do more and
become more,
you are a leader.”**

John Quincy Adams

When we looked for a name that reflected the values that define our entrepreneurial spirit; we didn't have to look far. It was a name ingrained in our heart and soul.

A partner at age 26, a groundbreaker through the depression of 1842, and a fierce campaigner throughout his life; Sir Charles left a lasting impression on Victoria – and a legacy for our firm.

His legacy now lives on forever in our name.

**Sir
Charles
Sladen.**

...the mountain was conquered.

The mountain stands proud.

Commanding.
Challenging.
Full of life.

The lion stands
before the mountain,
a champion.

Embracing the
unknown challenge
that lies beyond.

A challenge to pursue.
A challenge to learn
and grow.

To conquer.
A chance to discover.

A journey to begin.
